The cheapest way to get from Alicante Airport. From the bus stop in front of the terminal, take bus L1 direction C. Albacete (Cuesta)- Arenales Del Sol. Get off after 5 minutes at the stop Av. Cartagena 27 (Calle Llebeig) El Altet and change to the L2 line towards Torrevieja (Pilar de la Horadada). After about 40 minutes get off at stop N-332 pk 63+650 descendente at La Mata. From here it is about 1,6 km to the accommodation.

The problem with this option is that the L1 and L2 buses often do not interact or run very little.

The only way back is the other way around. In La Mata, departure from the stop N-332 pk 63+900 ascendente - La Mata [Torrevieja] - about 1.6 km from the accommodation. From there take the L2 bus towards Alicante, get off at the El Altet stop and change to the L1 bus to the airport. The fare to the airport comes out to 7 euros..
